### **Bear Awareness Gardiner needs your help!**

Want to learn about bears and help our community at the same time?

We are looking for volunteers to join Yellowstone Park's lead bear biologist, and Gardiner resident, Kerry Gunther to help keep our community safe, and our bears wild!

Please join us to help collect apples from the trees, and off the ground to make sure our local bears don't have a reason to visit this fall.

If you would like to have your trees picked and apples removed, or are willing to volunteer to help remove apples, please email Evan @ [Evan@YellowstoneWildlifeGuideCompany.com](mailto:Evan@YellowstoneWildlifeGuideCompany.com)

We are now offering an apple tree replacement program. The solution to bears coming to town for apples is to remove as many apple trees as possible from within town. If you choose to take down your tree, we will replace it with a non-fruit bearing tree in the spring. Please inquire if you have any questions, we'd love to help you bear safe your property!

Finally, we also have electric fencing we can loan out to properties who have fruit trees, gardens or chicken coops that need bear proofing. Supplies are limited, but we're happy to help! Please reach out to Evan with questions/interest.
