LOCAL ANNOUNCEMENTS

THE SUCCESSFUL GARDINER COMMITTEE is hosting a community meeting on Wednesday, May 24th at 6:00pm in the Multipurpose Room at the Gardiner School. This meeting is to update the community on the status of the Gardiner Neighborhood Plan. The Neighborhood Plan can be found at the [Successful Gardiner Website](#) or can be accessed [here](#). We welcome you to come to provide any thoughts, questions, or concerns you have regarding this plan. Thank you in advance for everyone's input and support.

GARDINER AREA NEW STABLISHMENTS: Please register your business with the Gardiner Resort Tax District by visiting our website, www.gardinertaxresort.com. The Resort Tax of 4% should be collected from your clientele beginning June 1st through September 30th. See our website for more information.

A GENTLE REMINDER to residents and business owners in the Gardiner and surrounding community, Gateway Hose Company, Fire & Ambulance is an **emergency service only**. Our members are all unpaid volunteers who have families and full-time jobs. 911 calls should only be placed in the event of a life-threatening emergency. If you are a business owner with employees without vehicles, it is your responsibility to transport them to a care facility for minor illnesses and injuries. Mammoth Clinic is a wonderful treatment facility and is only 10 minutes away. Each transport to Livingston takes our ambulance and crew out of the area for a minimum of three hours. If a true emergency occurs while we are transporting a non-life-threat patient, it could cost someone their life. We do what we do because we love and support our community. Please be respectful of our service, the community and our volunteers time! Thank you, Gateway Hose Company, Fire & Ambulance 406-848-7350.

The Gardiner Chamber of Commerce serves our community through developing local tourism while endorsing the stewardship of the Yellowstone Ecosystem.

LOCAL ANNOUNCEMENTS... CONTINUED FROM PAGE 1

THE CHAMBER OF COMMERCE Board of Directors will not meet in May. The next meeting will be on June 15.

BEAR PROBLEMS? Call Evan at Bear Awareness Gardiner: 207-441-7199. We provide one free bear-resistant garbage can for every residence in the Gardiner area. **Businesses**, check out our cost-sharing program to help you with bear-proofing. Thank you! BAG/Bear Creek Council.

Celebrate Mother's Day With Free Fishing

HELENA – No fishing licenses will be required Mother's Day weekend, May 13 and 14. So grab your gear and your gal and head out to enjoy Montana's countless rivers, streams, lakes and reservoirs. In 2021, Gov. Greg Gianforte signed into law Senate Bill 61, which makes it free to fish in Montana on Mother's Day. Montanans have enjoyed free fishing on Father's Day weekend for more than 10 years.

Yellowstone National Park's East Entrance Road Now Open

Anticipate temporary road closures near Sylvan Pass due to increased avalanche danger

The Road from the East Entrance near Cody, Wyoming, to Fishing Bridge Junction (Sylvan Pass), and Canyon Village to Lake Village, opened on Friday, May 5 to public motor vehicle traffic.

The public are asked to:

- Anticipate temporary road closures near Sylvan Pass because of increased avalanche danger from recent snowfall and warm temperatures.
- Watch for quickly changing weather conditions. Many areas of the park are still experiencing winter conditions and snow and ice may cover sections of road.
- Stay informed about up-to-date road conditions in Yellowstone:
- Visit [Park Roads](#).
- Call (307) 344-2117 for recorded information.
- Receive Yellowstone road alerts on your mobile phone by texting "82190" to 888-777 (an automatic text reply will confirm receipt and provide instructions).
- Come prepared. Services in the spring are limited. Visit [Operating Hours & Seasons](#) for area-specific season opening dates.

Stay at least 100 yards away from bears and wolves, and 25 yards from all other wildlife. Do not crowd or push wildlife. Due to a severe winter of above-average snowpack, wildlife such as bison, elk and moose are stressed and weak. Be mindful as they endure this hardest part of the year. Bison and elk often use roads as travel corridors when the snow is deep, and higher than usual snowbanks this year prevent them from easily moving off the road.

More park roads to open

Roads to open May 12 at 8 a.m. include:

- South Entrance to West Thumb
- West Thumb to Lake Village
- West Thumb to Old Faithful (Craig Pass)
- Tower Junction to Tower Fall

Road to open May 26 at 8 a.m. includes:

- Canyon Village to Tower Fall (Dunraven Pass)

Park roads open year-round

The park's North Entrance (Gardiner, Montana) and Northeast Entrance (Silver Gate and Cooke City, Montana) are open year-round to all traffic with no restrictions. Both road corridors have been repaired after last year's [historic flood event](#).

For additional details, visit the park website at www.nps.gov/yell or download the [National Park Service App](#).

Kindergarten Roundup – Wednesday, May 24, 2023

Who: Any preschooler turning 5 on or before September 10, 2023 and their parents/guardians

Where: Gardiner Public School front office and Kindergarten room

When: 1:00pm-4:00pm (by appointment only 848-7563**)

What to bring: Birth certificate and immunizations records

**Please call the school to schedule an appointment for Kindergarten Roundup. Appointments will start every 15 minutes at the front office to fill out paperwork. Then students and adults will get a chance to explore the classroom, meet Ms. Johnson, and receive information regarding supplies, kindergarten curriculum, and expectations.

NOTE: Alternate arrangements for registration, meeting Ms. Johnson, and visiting the classroom can be made by calling the front office.

Yellowstone National Park Reminds Boaters, Anglers to Clean, Drain and Dry
Stop the spread of aquatic invasive species

MAMMOTH HOT SPRINGS, WY – Boating and fishing season begins in Yellowstone National Park on Saturday, May 27 and ends Oct. 31. Boaters and anglers can protect Yellowstone’s waters by following **clean, drain and dry** guidelines to prevent the spread of **aquatic invasive species (AIS)**.

Clean, drain and dry all boats, trailers and equipment prior to arriving in the park to minimize the risk of introducing AIS into Yellowstone’s waters. Watercraft equipped with sealed internal ballast tanks are banned from all park waters as inspections cannot always detect aquatic invaders in these types of boats. In addition, felt-soled footwear is banned because they can carry microscopic disease organisms even after cleaning.

Clean, Drain, Dry

Clean all plants, animals, mud, sand and other debris from your boat, anchor, boots and equipment. Use high-pressure, hot (120-140F) water if possible.

Drain all water from your boat, including the motor, bilge, livewell and other compartments before you arrive. Leave drain plugs out during transport. Do not move water or organisms from one water body into another.

Dry all compartments and equipment in the sun for five days.

Clean, drain and dry requirements are critical steps to protect the park’s and nation’s waterways.

AIS

Aquatic invasive species (AIS) and nonnative organisms pose a grave and growing threat to Yellowstone National Park and the Greater Yellowstone Ecosystem.

AIS can quickly and drastically transform habitats and food chains, causing permanent declines in fish and food resources for native wildlife. Preventing the introduction of AIS is critical as eradication is costly and usually impossible.

Growing Threats

Dreissenid Mussels, including Zebra and Quagga Mussels, are among the world’s most harmful invasive species, with large and widespread ecological and economic effects. **If Zebra or Quagga mussels are found in Yellowstone, park waters may close to all watercraft to prevent the spread to other waterways.** Yellowstone National Park straddles the Continental Divide and headwaters that flow from the park drain to the Pacific and Atlantic oceans. Invasion of park waters by invasive mussels would mean devastating effects on the park’s thriving and diverse aquatic ecosystem, and detrimental impacts to recreation, waterways and communities downstream.

People are encouraged to report violations and potential discoveries of AIS. The park will continue efforts to develop an AIS Management Plan and Rapid Response Framework.

Permits and Inspections

Watercraft and angler float tubes must have a Yellowstone National Park AIS inspection and permit prior to launching in park waters. Permits and inspections are available for purchase 8 a.m. to 4:30 p.m. seven days per week during the summer season at the following locations:

Motorized and non-motorized watercraft (including angler float tubes and paddle boards)

- Bridge Bay Ranger Station
- Grant Marina
- Lewis Lake Ranger Station

Angler float tubes only

- West Yellowstone Visitor Information Center
- Bechler Ranger Station
- Mammoth Backcountry Office
- Northeast Entrance Station
- Grant Backcountry Office

Watercraft with evidence of dead or live quagga or zebra mussels will not be allowed to launch into Yellowstone waters.

Yellowstone fishing permits can be purchased at in-park stores, vendors in surrounding communities or online via [Recreation.gov](#).

Read more about [boating](#), [fishing](#) and [AIS](#) on the park’s website.

BRUIN CORNER

A SPACE TO SHARE GARDINER SCHOOLS' ACCOMPLISHMENTS AND UPCOMING EVENTS WITH THE COMMUNITY.

Track and Field

Congratulations to Sophia Darr who, on May 6th, pre-qualified for the State Track meet in the 100 Meter Dash and Long Jump!

This Saturday, the track team is leaving for the District Track meet at Gallatin High School in Bozeman.

State Music Festival

On May 5th six students of the Gardiner High School band traveled to Billings to perform at State Music Fest. The Brass quartet got a 2 or also called an excellent rating. This quartet was composed of Summit Browning, tuba, Garrett Klein, trombone, Maya Kowski, french horn, Elias Kneeland, 2nd trumpet, and Elijah Leafy, 1st trumpet. They played a piece composed by Elijah Leafy himself. Elijah Leafy also performed a violin solo, getting a 1 or superior rating. Along with Echo Saunders who got a 1 or superior rating on her clarinet solo.

DO NOT FEED THE WILDLIFE

“Feeding wildlife is often undertaken with good intentions,” said Montana Fish, Wildlife & Parks Game Management Bureau Chief Brian Wakeling. “Despite those good intentions, providing artificial food for wildlife can have a number of negative consequences for wildlife and humans.”

Artificial feeding can alter natural movements, migrations and concentrations of wildlife, Wakeling explained. Due to the availability of artificial foods, wildlife may alter migration timing, which may place them at greater risk of mortality when seasonal changes become more extreme.

Artificial feeding also can create unnatural concentrations of wildlife, which may subsequently create greater opportunity for disease transmission and draw in predators, such as mountain lions.

If the artificial food is near human habitation, concentrations of wildlife may result in undesirable effects on vegetation or landscapes and create conflicts among neighboring landowners.

These changes also may present challenges for domestic animals, especially small pets.

“In short, artificial feeding may create far more challenges for the wildlife we feed or among neighbors who may have different interests in wildlife,” Wakeling said.

And, even with the best intentions, feeding wildlife is illegal.”

The Gardiner Chamber of Commerce would like to wish Neli & Dimitar Nikolov owners of The Corral Burger and Lodge, a much deserved congratulations as they were named Montana's 2023 Small Business Persons of the Year by the Small Business Administration!

"This year's SBA Award winners were not only a testament to the grit and resiliency of Montana small businesses," said Montana district Director Brent Donnely, "but also an inspiration as they highlight the opportunities entrepreneurship affords to make tremendous impacts to our families and our Montana communities."

Thank you for all that you do for our community!

JOIN US GARDINER BUSINESSES, on Friday, May 12 to hear the compelling story of 'Recovery and Resiliency in the Greater Yellowstone' for Yellowstone National Park and its Gateway Communities from Livingston to Gardiner, the greater Paradise Valley, Cooke City/Silver Gate and West Yellowstone. Let's come together to commemorate the unprecedented collaboration among partners from land managers, public officials, philanthropists, private industry, non-profits, and residents to celebrate the community that endured as we kick off the 2023 summer tourism season.

We will convene at the Gardiner Chamber of Commerce Offices at 10:00 a.m. to celebrate the 'Community Connection' with AMB West, The Arthur M. Blank Family Foundation and the Park County Community Foundation alongside National Park Service Superintendent of Yellowstone Cam Sholly, Deputy Superintendent Mike Tranel, and Duane Bubac, Chief of Facility Management & Operations. Then, we will board Yellowstone Forever shuttles with an interpretive tour provided as we make our way on the newly constructed road to Mammoth Hot Springs Hotel. Individuals may drive their personal vehicles if they prefer. There, get a detailed account of the 500-year historic flooding event that occurred in June 2022 which led to the complete closure of YNP for eight days, destruction of the road between Gardiner and Mammoth Hot Springs, and a nearly full season closure of the North and Northeast Entrances. But most importantly hear how together, the Park and the Gateway Communities persevered and are ready to play host to visitors as we head into summer at and around America's First National Park.

Custer Gallatin N.F. Received Full Funding – Flooding

Two Sources: Emergency Repair of Federally Owned Roads & Federal Disaster Relief Funds

Bozeman, MT- May 9, 2023 - The Custer Gallatin National Forest recently received funding from the Federal Disaster Relief and received confirmation from the Federal Highways Administration which oversees the Emergency Repair of Federally Owned Roads (ERFO program) that the Forest will receive the full requested funding for the June 2022 flooding. Repair work is wide-spread with transportation system repairs totaling over \$22.8 million and recreation-related facilitates, trails, trail bridges and watershed-related work totaling almost \$17 million.

In June 2022, the Custer Gallatin National Forest, alongside numerous communities, and Yellowstone National Park, saw historical flooding. The naturally occurring event significantly changed areas of the landscape and the Forest is prepared for a multi-year restoration effort.

“We are filled with gratitude to be receiving this confirmation of funding for last year’s substantial flooding impacts,” said Mary Erickson, Custer Gallatin Forest Supervisor. “We acknowledge the importance of this landscape to all the communities that live alongside and receive benefits from these public lands. The Forest is prepared for the restoration effort with priority to high-use recreation areas important to communities, access to private lands and homes adjacent to forest, and permitted facilities such as church camps, campgrounds, and recreation residences.”

Considerations influencing when projects are implemented include amount and type of available funding, scope and scale of repairs needed, contractor availability, and the relative importance of affected sites to people across the Forest. For 2023 permanent repairs are expected for the following sites:

Beartooth Ranger District

- East Rosebud Road (initially milepost 7.3) – completed in stages over the next 1-3 years (temporary access in 2023.)
- Lake Fork Road Bridge
- Westminster Spires Bridge
- Stillwater Trailhead Reconstruction
- Richel Lodge Bridge
- Main Fork Rock Creek Road repairs to Glacier Lake Trailhead (excluding new bridges)
- Lake Fork Trailhead Bridge
- Snow Creek Bridge

Gardiner and Yellowstone Ranger District

- Yankee Jim River Access and Joe Brown Trailhead (Gardiner)
- Mill Creek and West Fork Mill Creek
- Main Boulder Area Recreation Sites

Hebgen Lake Ranger District

- Grayling Creek Snowmobile Bridge

For planning purposes, campgrounds anticipated to be open 2023 summer season include:

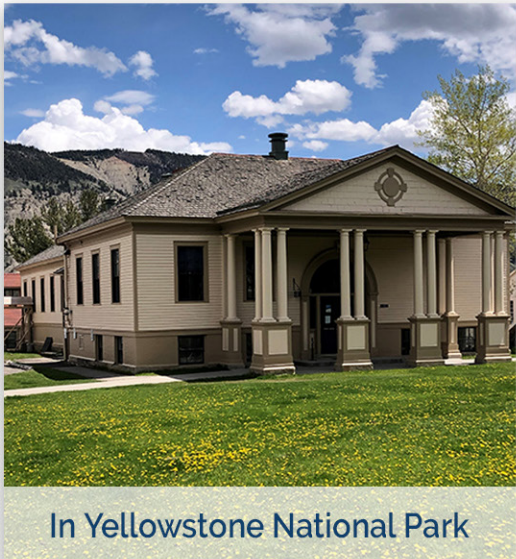

- M-K
- Limber Pine
- Greenough
- Parkside
- Basin
- Palisades
- Sage Creek
- Pine Grove
- Emerald Lake

Additional temporary repairs are anticipated for West Fork of Rock Creek Bridge, West Rosebud Road, East Rosebud Road, Woodbine Campground Bridge, upper Parkside Bridge and Hellroaring Creek Bridge (Main Fork Rock Creek Road). For general information on the Custer Gallatin National Forest visit online at www.fs.usda.gov/custergallatin, follow us at: <https://www.facebook.com/CusterGallatinNationalForest> or at [@GallatinNF](https://twitter.com/GallatinNF) or [@CusterNF](https://twitter.com/CusterNF) (Twitter).

GARDINER COMMUNITY NEWSLETTER INFO

The Gardiner Community Newsletter is published every Wednesday. Deadline for all advertising is Tuesday at noon. Payment for advertising is due the week the ad runs unless prior billing arrangements have been made. Secure online payment is available.

How to submit an ad:

- Email ad to ads@gardinerchamber.com ****Preferred method****
- Send ad to: Gardiner Chamber of Commerce (attention newsletter ads), P.O. Box 81, Gardiner, MT 59030.
- Come directly into the Chamber office at 216 Park Street, or use the after-hours drop box.
- Ads cannot be submitted over the phone.

Paying for ads

- We will email an invoice that can securely be paid online. Invoices are sent out on Tuesday afternoons. ****Preferred method****
- If an emailed invoice doesn't work, and you know the total cost of your ad, use the drop box, stop by the Chamber, or call 406-848-7971 to pay with a credit card

Line Ad pricing:

- Regular Line Ad: \$8 for the first 40 words, ten cents for each additional word.
- Chamber Member Line Ad: \$7 for the first 40 words, ten cents for each additional word.
- Free Line Ad: First 40 words are free, ten cents for each additional word. Things that constitute a free line ad: Lost & Found, Thank You's, Condolences, Memorial Services, and free things that normally have a charge (ie: giving away a bike, or serving a meal for free). Non-profit status does not guarantee a free ad.
- Logos and bullet points available for an additional fee; please inquire for details.

Display Ad sizes and pricing:

- \$10/week – sixteenth page vertical – 1.8" x 3.2"
- \$10/week – sixteenth page horizontal – 3.7" x 1.55"
