Keeping the Community Informed on COVID-19

As the phased reopening of our state begins it is important for us now more than ever to remain informed on COVID-19. We must continue to practice social distancing, frequent hand washing, and consider the state's recommendation of wearing facial coverings in public. While much of the below information will remain the same please continue to read this section carefully, as the coming weeks will be critical to moving Montana forward safely and economically.

On May 5th an updated version of frequently asked questions regarding the phase one reopening of Montana was released. I strongly encourage everyone to read the document in its entirety. Please visit: https://www.visitgardinermt.com/images/Phase_1_FAQs_Updated_May_5_2020.pdf

In addition to reading the latest information regarding COVID-19 and the Gardiner Community please visit our ongoing web event [Keeping the Community Informed on COVID-19](#) at www.VisitGardinerMT.com. This event will be updated daily and contains even more information regarding COVID-19 including specific state and national news, business information, and beyond. If you have any questions or believe you have information that should be included on this page please call 406-848-7971 or email executivedirector@gardinerchamber.com.

Remember we are all in this together. Please be kind to one another, stay safe, and stay positive!

Thank you,
Gardiner Chamber of Commerce & Visitor Information Center
